Description

The Tourism Partnership of Niagara (TPN/RTO2) is one of Ontario's thirteen Regional Tourism Organizations (RTOs), funded by the Province of Ontario and mandated to promote the Niagara region as a premier tourism destination. Our role is to enhance and support the competitiveness and sustainability of the Niagara tourism sector through strategic investments in destination marketing, product development, research, partnerships, and workforce development. TPN works collaboratively with local Destination Marketing Organizations (DMOs), municipalities, tourism stakeholders, and the broader provincial and national tourism network to amplify Niagara's visibility in both domestic and international markets. As part of this mandate, TPN seeks proposals from qualified web development firms to

lead the strategic redevelopment, design, and technical build of our corporate website, ensuring the new site meets the highest standards in UX/UI, accessibility, performance, scalability, and security while complying with provincial funding requirements and reporting expectations.
