Contractor and the State agree to the terms and conditions in this Contract.

2. Term and Effective Date

A. Effective Date

This Contract shall not be valid or enforceable until the Effective Date. The State shall not be bound by any provision of this Contract before the Effective Date, and shall have no obligation to pay Contractor for any Work performed or expense incurred before the Effective Date or after the expiration or sooner termination of this Contract.

B. Initial Term

The Parties' respective performances under this Contract shall commence on the Contract Performance Beginning Date shown on the Signature and Cover Pages for this Contract and shall terminate on the Initial Contract Expiration Date shown on the Signature and Cover Pages for this Contract (the "Initial Term") unless sooner terminated or further extended in accordance with the terms of this Contract.

C. Extension Terms - State's Option

If the Signature and Cover Pages for this Contract shows that the State has the Option to Extend Term, then the State, at its discretion, shall have the option to extend the performance under this Contract beyond the Initial Term for a period, or for successive periods, at the same rates and under the same terms specified in the Contract (each such period an "Extension Term"). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to §23 "Sample Option Letter." The State may include and incorporate a revised budget with the option letter, as long as the revised budget does not unilaterally change rates or terms specified in the Contract. Except as stated in §2.D, the total duration of this Contract, including the exercise of any options to extend, shall not exceed 5 years from its Performance Beginning Date, or the number of years specified on the Signature and Cover Pages if such number is less than 5 years, absent prior approval from the Chief Procurement Officer in accordance with the Colorado Procurement Code.

D. End of Term Extension

If this Contract approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in §15, may unilaterally extend such Initial Term or Extension Term for a period not to exceed 2 months (an "End of Term Extension" or "Holdover"), regardless of whether additional Extension

Terms are available or not. Any such extension shall be under the same terms and conditions of the operative Contract including, but not limited to, prices, rates, and service delivery requirements. The provisions of this Contract in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement contract or modification extending the total term of the Contract.

E. Early Termination in the Public Interest

The State is entering into this Contract to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Contract ceases to further the public interest of the State, the State, in its discretion, may terminate this Contract in whole or in part. A determination that this Contract should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Contract by the State for Breach of Contract by Contractor, which shall be governed by §12.A.i.

i. Method and Content

The State shall notify Contractor of such termination in accordance with §15. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in §12.A.i.a.

iii. Payments

If the State terminates this Contract in the public interest, the State shall pay Contractor an amount equal to the percentage of the total reimbursement payable under this Contract that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Contract is less than 60% completed, as determined by the State, the State may reimburse Contractor for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Contract, incurred by Contractor which are directly attributable to the uncompleted portion of

If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may, upon written notice, terminate this Contract, in whole or in part, without incurring further liability.
