A. INSTRUCTIONS TO OFFERORS

1. Preparation of Offers

- (a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.
- (b) Each offeror shall furnish the information required by the solicitation as indicated in the Statement of Work and **"Required Tab (in the Bonfire sourcing program)"** which is indicated in the software. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to PHA.
- (c) Offers for services other than those specified will not be considered.
- (d) If this solicitation requires proposing on all items, failure to do so will result in the proposal being rejected. If proposing on all items is not required, proposers should insert the words "NO PROPOSAL" in the space provided for any item for which no price is submitted.

2. Amendments to Solicitations

- (a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
- (b) Offerors shall acknowledge receipt of any amendments to this solicitation by (1) signing and returning the amendment; (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer. PHA must receive the acknowledgement by the time specified for receipt of offers.

3. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc. must request in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the Contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

4. Responsibility of Prospective Contractor

- (a) PHA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -
 - (i) Have adequate financial resources to perform the Contract, or the ability to obtain them;
 - (ii) Have a satisfactory performance record;
 - (iii) Have a satisfactory record of integrity and business ethics;
 - (iv) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
 - (v) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the PHA/HUD.
- (b) Before an offer is considered for award, the offeror may be requested by PHA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

5. Late Submissions, Modifications, and Withdrawal of Offers

- (a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -
 - (i) Was not submitted electronically in Bonfire as of the close date and time.
 - (ii) Was sent by mail, or if authorized by the solicitation, and it is determined by the PHA that the late receipt was due solely to mishandling by PHA after receipt at PHA;
- (b) Any modification of an offer, except a modification resulting from PHA's request for "best and final" offer, is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
- (c) A modification resulting from PHA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by PHA after receipt at PHA.

- (d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.
- (e) The only acceptable evidence to establish the time of receipt at PHA is the time/date stamp of PHA on the offer wrapper or other documentary evidence of receipt maintained by PHA.
- (f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.
- (g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to PHA will be considered at any time it is received and may be accepted.
- (h) Proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.

6. Contract Award

- (a) PHA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to PHA, cost or price and other factors, specified elsewhere in this solicitation, considered.
- (b) PHA may (1) reject any or all offers if such action is in PHA's interest, (2) accept other than the lowest offer, (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

- (c) PHA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.
- (d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, PHA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by PHA.
- (e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

7. Service of Protest

- (a) Any protest against the award of a contract pursuant to this solicitation shall be served on PHA by obtaining written and dated acknowledgement of receipt from PHA at PHA Contracts Department, 2013 Ridge Avenue -4th, Philadelphia, PA 19121. The determination of PHA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protester.
- (b) An actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. Protests based on the contents of the solicitation must be submitted prior to the date and time for receipt of proposals. Protests based on contract award must be made within seven days after the protestor knows or should have known the facts giving rise to the protest.
- (c) All protests shall be resolved in accordance with PHA's protest policy and procedures, copies of which are maintained at PHA.

8. Offer Submission

- (a) Offers and modifications thereof shall be submitted electronically in Bonfire, ~~or in sealed envelopes or packages (1) addressed to PHA Contracts Department, 2013 Ridge Avenue -4th floor, Philadelphia, PA 19121, and (2) showing (on the face of the envelope) the time specified for receipt, the solicitation number, and the name and address of the offeror. One original hard copy, one (1) hardcopy, and one electronic copy of the Offer and modifications, including the required proposal forms, shall be submitted (on one or more flashdrives) in Microsoft Excel, Microsoft Word, and/or Portable Document Format (PDF) formats.~~
- (b) ~~Telegraphic, e-mail, or facsimile offers, modifications, or withdrawals will not be considered unless authorized by the solicitation.~~

- (c) ~~It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.~~

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.
- (e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

(b) For purposes of paragraph (b)(i)(1)(a) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

- (h) In the event of a determination that the Contractor is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contracts, or federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. It is understood that the Contractor is an independent contractor and is not to be considered an employee of the HA, or assume any right, privilege or duties of an employee, and shall save harmless the HA and its employees from claims suits, actions and costs of every description resulting from the Contractor's activities on behalf of the HA in connection with this Agreement.

19. Other Contractors

- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of

apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. - b. PHA requires a minimum acceptance period of 90 calendar days. If the award is delayed by a required approval of another governing agency, then the acceptance period shall be 120 days.
- c. A proposal allowing less than the PHA's minimum acceptance period will be rejected.

2. Billing and Payment

- a. The Contractor shall submit invoices to the PHA as provided pursuant to the terms of this Contract. Invoices must show the type of service performed and the amount charged to the Contract during the billing period. PHA's billing address is:

Philadelphia Housing Authority
Attn: Contract Administration
P.O. Box 8737
Philadelphia, PA 19104-9742
- b. PHA shall exert its best efforts to pay the Contractor within forty-five (45) days of receipt of an accurate/uncontested invoice, given fulfillment of deliverable(s), and if Contractor is in compliance with all Contract terms and conditions. PHA reserves the right to withhold payment for performance deficiencies.
- c. No interest shall be payable to the Contractor from PHA for delayed progress or final payment.

3. PHA Option for Payment by Electronic Funds Transfer

- a. At PHA's option:
 - i. All payments by PHA under this Contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(ii) of this clause. As used in this clause, the term EFT refers to the funds transfer and may also include the payment information transfer.
 - ii. In the event PHA is unable to release one or more payments by EFT, the Contractor agrees to either (1) Accept payment by check or some other mutually agreeable method of payment; or (2) Request PHA to extend payment due dates until such time as PHA makes payment by EFT (but see paragraph (d) of this clause).
- b. Mandatory submission of Contractor's EFT information.
 - i. The Contractor is required to provide PHA with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the office designated in this Contract to receive that information (hereafter: designated office) within 10 days after award of the Contract. If not otherwise specified in this Contract, the payment office is the designated office for receipt of the Contractor's EFT information. If more than one designated office is named for the Contract, the Contractor shall provide a separate notice to each office. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the designated office(s).

- ii. If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to the designated office.

However, EFT information supplied to a designated office shall be applicable only to contracts that identify that designated office as the office to receive EFT information for that contract.

- c. Mechanisms for EFT payment. PHA may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.
- d. Suspension of payment.
 - i. PHA is not required to make any payment under this Contract until after receipt, by the designated office, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this Contract. The prompt payment terms of the Contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
 - ii. If the EFT information changes after submission of correct EFT information, PHA shall begin using the changed EFT information no later than 30 days after its receipt by the designated office to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by the payment office. If such suspension would result in a late payment under the prompt payment terms of this Contract, the Contractor's request for suspension shall extend the due date for payment by the number of days of the suspension.
- e. Liability for uncompleted or erroneous transfers.
 - i. If an uncompleted or erroneous transfer occurs because PHA used the Contractor's EFT information incorrectly, PHA remains responsible for (1) Making a correct payment; (2) Paying any prompt payment penalty due; and (3) Recovering any erroneously directed funds.
 - ii. If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and (1) If the funds are no longer under the control of the payment office, PHA is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or (2) If the funds remain under the control of the payment office, PHA shall not make payment and the provisions of paragraph (d) shall apply.
- f. EFT and prompt payment. A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this Contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.
- g. EFT and assignment of claims. If the Contractor assigns the proceeds of this Contract as provided for in the assignment of claims terms of this Contract, the Contractor shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to the designated office, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to PHA, is incorrect EFT information within the meaning of paragraph (d) of this clause.
- h. Liability for change of EFT information by financial agent. PHA is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.

- i. Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. PHA may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, PHA does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to PHA. If PHA makes payment by check in accordance with paragraph (a) of this clause, PHA shall mail the payment information to the remittance address in the Contract.
- j. EFT information. The Contractor shall provide the following information to the designated office. The Contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause).  - vii. If applicable, the Contractor shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if the Contractor's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

4. Notices

- b. All papers required to be delivered to PHA, unless otherwise specified in writing to the Contractor, shall be sent to:

Attn: Contracting Officer
Philadelphia Housing Authority

These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. This option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within ten (10) days prior to the expiration of the Contract.

7. Contract Modifications

- a. Only the Contracting Officer has authority to modify any term or condition of this Contract. Any contract modification shall be authorized in writing.
- b. PHA may modify the Contract unilaterally (1) pursuant to a specific authorization stated in a Contract clause; or (2) for administrative matters which do not change the rights or responsibilities of the parties. All other Contract modifications shall be in the form of supplemental agreements signed by the Contractor and the Contracting Officer.

8. Hold Harmless

The Contractor shall hold PHA harmless from and indemnify PHA against any and all claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents pursuant to the Contract and shall, at the request of PHA, defend any and all actions brought against PHA based upon any such claims or demands.

9. Suspension of Work

- a. The Contracting Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this Contract for the period of time that the Contracting Officer determines appropriate for the convenience of PHA.
- b. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed, or interrupted (1) by an act of the Contracting Officer in the administration of this Contract, or (2) by the Contracting Officer's failure to act within the time specified in this Contract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this Contract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the Contract modified in writing accordingly. However, no adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.
- c. A claim under this clause shall not be allowed (1) for any costs incurred more than 20 days before the Contractor shall have notified the Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order), and (2) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

10. Default

In this event, PHA may take over the work and complete it, by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to PHA resulting from the Contractor's refusal or failure to complete the work

11. Contractor Claims

In the event of a controversy or claim arising from the Contract, the Contractor must, within six months after the cause of action accrues, file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum. PART I: GENERAL

1.1 POLICY

As a requirement for receiving federal funds, the U.S. Department of Housing and Urban Development ('HUD') requires that the Philadelphia Housing Authority (hereinafter 'Authority') implement an Affirmative Action Contract Compliance Program under Executive Order Nos. 11246, 12432, 12138, 11625, to promote the development of certified Minority Business Enterprises (hereinafter 'MBE'), and certified Women Business Enterprises (hereinafter 'WBE'). This program will also comply with the requirements of Titles VI and VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000 d & e, as amended, and HUD Regulations 24 C.F.R. § 85.36(e).

The Authority by this policy affirms its commitment to maximize the utilization of certified MBEs/WBEs in Authority contracts and subcontracts. To this end, the Authority will provide such assistance as will be needed to achieve this goal.

The aim of this policy is to discover and deter any present discrimination by bidders who seek contracts with the Authority. MBE/WBE minimum participation goals (hereinafter 'MPGs') shall be used as a screening device to determine whether discrimination may have occurred. Minimum goals of MBE/WBE participation will be indicated for each contract in the bid documents, and will be based upon availability of certified MBEs/WBEs. The MPGs are a means of determining whether or not a contractor shall be presumed to have engaged in discrimination. If the information furnished is below the MPGs, the bid package shall be subject to further review, in accordance with criteria set forth in this policy, to determine whether or not there was actual discrimination.

1.2 APPLICABILITY

 - 3. Participated in Authority sponsored conferences and seminars designed specifically for the promotion of the Authority's Affirmative Action Contract Compliance Program pertaining to certified MBE/WBE participation.**
 - 4. Notified certified MBE/WBEs and solicited their participation in the reference contract. The names, addresses, telephone numbers, and contact persons of the firms notified must be provided.**
 - 5. Provided complete information about plans, specifications, and requirements of the contract to interested certified MBE/WBEs.**

- 6 Made reasonable efforts to negotiate with certified MBE/WBEs for specific sub-bids. All such contacts must be fully documented. If a sub-bid of a certified MBE/WBE is rejected, the Bidder/Proposer must document and explain the reason for the rejection. Rejection based solely on the initial response from a certified MBE/WBE will not be sufficient to establish non-discrimination and “Best Efforts” toward compliance.**
- F. Attest to the fact that the certified MBE/WBE will perform work, which is necessary and required for contractor to fulfill their obligation under the applicable contract and specification.**

**PART IV: CONSTRUCTION CONTRACT AFFIRMATIVE ACTION
IMPLEMENTATION PLAN**

4.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPG's for Specifications/Contracts/Request for Proposals.

(MODERNIZATION FUNDS)

The MPG's which have been set by the AAO as of the date of implementation of this program, are and shall be, until or unless they are revised, as follows:

<u>MBE</u>	<u>WBE</u>
20%	10%

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPG's. However, a contractor may be considered not responsive if the MPG's are not met and no acceptable justification is offered for a lack of compliance.**
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime/general contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**
- D. Certified MBE/WBE subcontractors shall perform at least seventy-five percent (75%) of the cost of the subcontract, not including cost of materials, with their own employees. This provision shall not apply to suppliers or distributors.**

4.2 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIVENESS

- A. Bidders/Proposers must submit information indicating certified MBE/WBE firms, which have been solicited, quotes that have received (solicited and unsolicited), and firms to which commitments have been made. Documentation of such solicitations, quotes, and commitments must be submitted concurrently with the bid/proposal. Failure to submit the required information is sufficient cause for rejection of the bid as non-responsive.**
- B. Mailings to large numbers of certified MBE/WBEs which are intended to provide notice of a contractor's interest in bidding on a construction**

contract will not be deemed solicitation, but will be treated as informational notification only.

- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, manufacturers or supplies whose work, materials or supplies are within the project scope and are related to project line items or portions thereof, and which the Bidder/Proposer reasonable believes it will choose to subcontract with or purchase from.**
- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions, the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

4.3 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

**PART V: VENDING AND PERSONAL/PROFESSIONAL
SERVICES CONTRACT AFFIRMATIVE ACTION
IMPLEMENTATION PLAN**

5.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPG's for Specifications/Contracts/Request for Proposals.

(MANAGEMENT FUNDS)

The MPG's which have been set by the AAO as of the date of implementation of this program, are and shall be until or unless they are revised, as follows:

<u>MBE</u>	<u>WBE</u>
10%	10%

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPG's. However, a contractor may be considered non-responsible if the MPG's are not met, and they are not in compliance with Part III, Section E.**
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their Plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**

**5.2 VENDING AND PERSONAL/PROFESSIONAL SERVICES CONTRACT
AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIVENESS**

- A. Bidders/Proposers must complete and submit with the bid/proposal, certified MBE/WBE Schedule of Participation and Binding Commitments Form. Failure to submit these forms with the bid/proposal may result in the bid being rejected as non-responsive.**
- B. Mailings to large number of certified MBE/WBE's which are intended to provide notice of a contractor's interest in bidding on a vending and personal/professional service contract will not be deemed solicitation, but will be treated as informational notification only.**
- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, vendors, manufacturers or suppliers whose services, materials or supplies are**

within the scope of work bidden on, and which the Bidder/Proposer reasonably believes it will choose to subcontract with or purchase from.

- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

5.3 VENDING AND PERSONAL/PROFESSIONAL SERVICE CONTRACT AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder/Proposer has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

PART VI: EXEMPTIONS

6.1 EXEMPTED CONTRACTS

The Authority recognizes that in certain limited circumstances, compliance with this Affirmative Action Contract Compliance Program will not be feasible, nor in the best interest of the Authority or its residents. With the approval of the Executive Director, Contracting Officer and the Affirmative Action Officer, the following contracts may be exempted:

- A. A vending contract, for equipment, materials, services and supplies where the total dollar amount of the contract is less than Ten Thousand Dollars (\$10,000.00).**
- B. A construction contract where the total dollar amount of the contract is less than Ten Thousand Dollars (\$10,000.00).**
- C. A professional or personal services contract where the total dollar amount of the contract is less than Ten Thousand Dollars (\$ 10,000.00).**
- D. Any public exigency or emergency contract where the nature of the emergency will not allow for a delay, which would occur from competitive solicitation.**

PART VII: COMPLIANCE REVIEW

7.1 STANDARDS FOR REASONABLE CAUSE: AFTER A CONTRACT HAS BEEN AWARDED

- A. The AAO may find that a Contractor is not in compliance with contract requirements for reasons, which include, but are not limited to:**
- 1. Documentation of information furnished by the contractor, which does not demonstrate that, a certified MBE/WBE is performing the work actually contracted.**
 - 2. Failure or refusal by a contractor to furnish information requested by the Authority.**
 - 3. Discovery of information, which is contrary to compliance information previously submitted by the contractor.**
 - 4. Contractor's failure, neglect or refusal to pay certified MBE/WBE subcontractor(s) for completed and approved work within seven (7) working days after payment by the Authority to the contractor.**
 - 5. Other facts discovered by the Authority's AAO.**
- B. Whenever the AAO determines it has reasonable cause to believe that a contractor is not in compliance or that the contractor has discriminated against certified WBE/MBEs, the AAO shall promptly prepare a written notice to be signed by the Contracting Officer and sent by certified mail to the contractor. The notice shall state the reasons for the AAO's belief that the contractor is not in compliance and/or has discriminated against certified MBE/WBEs. In response to said notice, the contractor shall be required to show cause within seven (7) working days why it should not be found:**
- 1. In breach of contract, or**
 - 2. To have discriminated against certified MBE/WBEs.**
- C. Based upon information supplied by the contractor, if any, and other documentation and/or information, and with the approval of the General Manager of Contracts/Procurement, the AAO shall proceed expeditiously with an investigatory, evaluative review to clarify the allegations. In the event that the allegations are found to be valid by the AAO, said officer shall notify the Contracting Officer and Executive Director who shall send notification of such finding(s) to the contractor setting forth the appropriate remedial action.**

7.2 GOOD FAITH NON-COMPLIANCE

- A. In cases where the AAO has cause to believe that a contractor, acting in good faith, has failed to comply with the provisions of the procedures, the AAO with the assistance and involvement of the Authority's Contracting Officer shall attempt to resolve the non-compliance through conciliation and persuasion.**
- B. In conciliation, the contractor must satisfy the Authority that they have made their "Best Efforts" to achieve the agreed upon participation goals by certified MBE/WBEs. "Best Efforts" on the part of the contractor include:**
 - 1. Entering a contractual relationship with the designated MBE/WBE in a timely manner, and fulfilling all contractual requirements.**
 - 2. Notifying both the certified MBE/WBEs subcontractor and the Authority's AAO of any problems in a timely manner.**
 - 3. Requesting assistance from the AAO in resolving any problems with certified MBE/WBEs.**
 - 4. Making every reasonable effort to assist the certified MBE/WBE in the performance of its contract with the Authority.**

7.3 WILLFUL NON-COMPLIANCE

- A. In cases where the AAO has cause to believe that any Bidder, Proposer, or Contractor has failed to comply with the provisions of these procedures, said officer shall be empowered to conduct an investigation subsequent to written direction of the General Manager of Contracting/Procurement.**
- B. After affording the Bidder, Proposer or Contractor notice and an opportunity to be heard, the AAO will be authorized to recommend sanctions for each violation of these procedures. Such sanctions may include, but are not limited to:**
 - 1. Declare the bid or proposal as non-responsible and the Bidder/Proposer ineligible to receive the award of the contract or any other future contracts.**
 - 2. Suspension from doing business with the Authority for a set period of time.**
 - 3. Debarment.**
 - 4. Withholding of payments under the contract.**
 - 5. Other relief the AAO deems necessary, proper, and in the best interest of the Authority.**

PART VIII: APPEALS

8.1 STANDARDS OF APPEAL: AFTER THE CONTRACT HAS BEEN AWARDED

A Bidder, Proposer, or Contractor may appeal a decision pursuant to any action taken under the provisions of Part VII: Compliance Review, by filing a written grievance with the AAO. An appeal by the Bidder, Proposer or Contractor under this section shall not stay the AAO's finding(s).

8.2 WRITTEN GRIEVANCE

- A. The grievance shall set forth the reasons supporting it. The grievance shall be filed within ten (10) working days of the date that the finding, recommendation, proposal or other relief becomes effective. Failure to grieve in a timely manner shall be deemed a waiver of said right or breach of the conditions of this policy.**
- B. If a person requests a hearing at the time the grievance is filed, the AAO shall schedule a hearing within seven (7) working days of the date the grievance is filed, unless the person requesting a hearing agrees to a continuance provided it is not contrary to best interest of the Authority to permit the delay. The AAO shall notify in writing, the person filing the grievance, of the date, time and place of the hearing.**
- C. If a hearing is not requested, the AAO shall make a determination and notify the contractor within (7) working days.**

8.3 HEARING

Five (5) working days prior to a scheduled hearing, the AAO shall issue and serve a written notice, together with a copy of the grievance as filed, to all persons named in the grievance. - C. Any person or heads of departments named in the grievance may file a written answer to the grievance, and may appear at such hearing in person.**
- D. The panel shall not be bound by the strict rules of evidence prevailing in the courts of law or equity.**

- D. If the certified partner(s) is a MBE, its participation may be credited to the extent of the partner's ownership interest in the joint venture. However, it will still be required to meet the WBE goal or vice versa.**

CHANGES TO SECTION 3 REGULATIONS

Section 3 rules have been modified to concentrate solely on total worker hours worked with 25% of those hours being worked by Section 3 and Targeted Section 3 Workers to achieve compliance (see definitions within this section);

HOWEVER,

It is understood that not all contracted vendors will be able to meet this benchmark. With that understanding, HUD has provided for “Qualitative Efforts” to meet the spirit of the regulations and to provide meaningful assistance to those persons for which Section 3 is intended. It is important that all vendors make every effort to maximize the hiring of Section 3 workers, but if those documented efforts cannot achieve compliance, Qualitative Efforts may be factored into the overall Section 3 proposed plan and will be strongly considered in the resultant scoring when recommending proposals for award. If you determine that your organization might not achieve the 25% compliance benchmark, please include Qualitative Efforts in your submission to clarify your intent and qualify your plan.

III. SECTION 3 POLICY

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u) (“Section 3”) and 24 CFR Part 75 requires that, to the greatest extent feasible, employment and other economic opportunities generated by certain financial assistance from the U.S. Department of Housing and Urban Development (HUD) be directed to low-and very low-income residents, particularly those who are recipients of government assistance for housing, and to business concerns that provide economic opportunities to low- and very low income persons, as defined in 24 CFR 75.

D. PHA Responsibilities

1. PHA will comply with Section 3 in its operations. This responsibility includes:
 - a. Notifying Section 3 Residents and Section 3 Business Concerns about jobs and contracts generated by Section 3 Covered Assistance so that residents may seek jobs and businesses may submit bids/proposals for available contracts;

² Id.

- b. Notifying potential contractors of the objectives of Section 3 and ways in which each contractor can assist PHA in meeting its goal;
 - c. Facilitating the training and employment of Section 3 Residents and the award of contracts to Section 3 Business Concerns; and
 - d. Documenting the action that the PHA takes to comply with the Section 3 requirements, the results of the actions, and impediments, if any.
2. PHA also has a responsibility to ensure compliance of contractors and subcontractors. PHA will:
- a. Notify contractors of their responsibilities under Section 3 including, but not limited to, incorporating the Section 3 Clause in contract documents;
 - b. Refrain from entering into contracts with contractors that are in violation of the regulations at 24 CFR Part 75;
 - c. Respond to complaints made to PHA by Section 3 worker or targeted worker or Section 3 Business Concerns that PHA, a contractor or subcontractor, is not in compliance with 24 CFR Part 75; and
 - d. Cooperate with HUD in obtaining the compliance of contractors and subcontractors when allegations are made that PHA's contractors and subcontractors are not in compliance with the regulations at 24 CFR Part 75.

E. Goals

1. Goals for Employment for all contractors under Section 3 covered contracts:
 - i. The Section 3 goals require that Section 3 workers comprise no less than 25% of the total number of labor hours worked by all workers employed with public housing financial assistance in the PHA's or other recipient's fiscal year. Of that 25%, no less than 5% of the total number of labor hours worked must be worked by Targeted Section 3 Workers. The above benchmark notice will be updated by the Secretary every three (3) years.
 2. Preferences Regarding Small Purchases: For contracts that do not exceed \$20,600, procured in accordance with the Small Purchase Procedures found in this Procurement Policy, and where the Section 3 Covered Contract is to be awarded based on price, the contract will be awarded to the responsible source with the lowest responsive quotation.
 - a. Where the Section 3 Covered Contract in an amount not to exceed \$20,600 is to be awarded based on factors other than price, a request for quotations will be prepared in accordance with PHA's Procurement Policy, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation will
-

identify all factors to be considered, including price or cost. The rating system will provide for a range of 10 to 15 percent of the total number of available rating points to be set aside for the provision of preference for Section 3 Business Concerns. The percent of the preference points shall be determined by the head of PHA's Supply Chain Management Department or his or her designee upon due consideration of the effect of any preference upon the ability to obtain responsive quotations. The contract or purchase order will be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

3. Preferences Regarding Procurement By Request For Proposals (RFP): For Section 3 Covered Contracts awarded through an RFP process, the RFP shall identify all evaluation factors (and their relative importance) to be used to rate proposals. One of the evaluation factors shall address both the preference for Section 3 Business Concerns and the acceptability of the proposing contractor's strategy for meeting the Section 3 greatest extent feasible requirement. This factor shall provide for a range of 10 to 15 percent of the total number of available points to be set aside for the evaluation of these two components. The percent of the preference points shall be determined by the head of PHA's Supply Chain Management Department or his designee upon due consideration of the effect of any preference upon the ability to obtain responsive proposals.
 - a. The component of this evaluation factor designed to address the preference for Section 3 Business Concerns must establish a preference for these business concerns in the order of priority ranking as set forth in this policy.
 - b. With respect to the second component (the acceptability of the strategy for meeting the greatest extent feasible requirement), the RFP shall require disclosure of the contractor's strategy for meeting the greatest extent feasible requirement to comply with the Section 3 employment. A determination of the contractor's responsibility will include the submission of an acceptable strategy for meeting the greatest extent feasible requirement. The contract award shall be made to the responsible firm whose proposal is determined most advantageous considering price and all other factors specified in the RFP.
 4. Preferences Regarding Contracts to be Awarded Under a Sealed Bid Process: Where the Section 3 Covered Contract is to be awarded under a sealed bid process, PHA will utilize the procedure and the method for providing preference for Section 3 Business Concerns described in 24 CFR Part 75.
 5. Safe Harbor Benchmarks: The Section 3 Covered Contract is in compliance with safe harbor if the vendor "met or exceeded the Section 3 benchmarks AND followed the required prioritization of effort. If the vendor can't meet, or hasn't met, the quantitative benchmarks prioritization of effort, they must provide acceptable evidence that they have made qualitative efforts to assist low and very low income persons with
-

employment and training opportunities. The evidence must be approved by PHA representative prior to execution.

F. Safe Harbor Compliance

Contractor will be considered to have complied with the Section 3 requirements and met the safe harbor benchmarks, if they certify that they followed the required prioritization of effort and met or exceeded the Section 3 benchmarks, absent evidence of the contrary. Prior to the beginning of work, contractors and subcontractors will be required to certify that they will follow the required prioritization of effort for Section 3 workers, Targeted Section 3 workers, and Section 3 business concerns as outlined below in section G. After completion of the project, on the Section 3 Cumulative Report, contractors and subcontractors will be required to certify that they followed the prioritization of effort requirements. **If the contractor and subcontractor does not meet the safe harbor requirements, they must provide acceptable evidence that they have made qualitative efforts to assist low and very low-income persons with employment and training opportunities.**

1. HUD holds PHA accountable for compliance with Section 3 requirements: Therefore, contractor reporting requirements will be incorporated into all Section 3 Covered Contracts and contractors shall be contractually required to respond to requests for information from PHA for compliance verification throughout the life of the contract. PHA's Section 3 Program and/or PHA's Office of Audit and Compliance may also conduct random compliance inspections at the site of a Section 3 Covered Project.
 2. Achievement of Numerical Goals: In the absence of evidence to the contrary, if a contractor meets the minimum numerical goals listed in Section III.E of this Policy, above, the contractor is considered to have complied with its Section 3 requirements under this Policy.
 3. Burden of Proof: Section 3 requires compliance with its minimum numerical requirements unless PHA and its contractors demonstrate that such compliance was not feasible following reasonable efforts. Contractors must demonstrate, through compliance reports and forms established by PHA, that they have met the numerical goals stated in Section III.E of this Policy. When a contractor is unable to meet the objectives stated in Section III.E of this Policy, the contractor has the burden of satisfactorily demonstrating why it was not feasible to meet the numerical goals. Such justification may include impediments encountered despite actions taken. In the event a contractor does not meet the numerical goals for Section 3 worker hours, PHA requires that a contractor demonstrate that it has provided other sufficient qualitative efforts as further evidence of its attempt to provide Section 3 related qualitative benefits. See Section III F.4 Policy.
 4. Qualitative PHA Options: Except in the case of Section 3 Covered Contracts under \$20,600, PHA requires each contractor pursuant to any Section 3 Covered Contract to perform qualitative efforts in each of the following circumstances:
-

- a. The Section 3 worker labor hours, including Targeted Section 3 Workers, on the project failed to achieve 25 percent of the total labor hours performed on the project;
 - b. The Targeted Section 3 worker labor hours on the project failed to achieve 5 percent of the total labor hours performed on the project.
5. Cooperation: Vendor will cooperate fully with Section 3 compliance reviews by PHA. Vendor will promptly correct or work with subcontractors to correct any deficiencies identified by PHA during such reviews.
6. Safe Harbor Benchmarks:
- i. 25% or more of all labor hours worked by all workers employed with public housing financial assistance in the PHA's or other recipient's fiscal year must be Section 3 workers (including Targeted Section 3 Workers).
 - ii. 5 % or more of all labor hours worked by all workers employed in PH financial assistance in the PHA's or other recipient's fiscal year must be Targeted Section 3 workers.

Section 3 labor Hours / Total labor hours = 25% AND Targeted Section 3 labor hours / Total labor hours = 5%

G. Qualitative Efforts

Under the PHA's Section 3 Program, contractors and subcontractors should make best efforts to provide employment and training opportunities to Section 3 workers in the priority order listed below. Contractors and subcontractors will be required to certify that they will and have made best efforts to follow the prioritization of effort requirements prior to the beginning work and after work is completed.

- 1) To residents of the public housing projects for which the public housing financial assistance is expended;
 - 2) To residents of other public housing projects managed by the PHA that is providing the assistance or for residents of Section 8-assisted housing managed by the PHA;
 - 3) To participants in Youth Build programs; and
 - 4) To low and very low-income persons residing within the metropolitan area (or nonmetropolitan county) in which the assistance is expended
1. The following qualify as qualitative efforts to fulfill the requirements of Section III F.4 of this policy:
- a. Contribute to a Section 3 Fund created by PHA in the amount of three percent (3%) of the Section 3 Contract amount (see Definitions, Section III, C.i).

- b. Provide training or apprenticeship opportunities to the greatest extent feasible per the prioritization of efforts above.
- c. Provide services to Section 3 workers supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
- d. Provide assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.
- e. Provide technical training (workshops or one-on-one support) to help Section 3 business concerns understand and bid on contracts.
- f. Divide subcontracts into smaller jobs to facilitate participation by Section 3 business concerns.
- g. Provide bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.
- h. Provide Contracting Opportunities, to the greatest extent feasible, to Section 3 business concerns that provide economic opportunities to Section 3 workers residing within the service area or the neighborhood of the project and participants in Youth Build programs.

All proposed potential qualitative efforts must be reviewed and approved by PHA prior to execution of any agreement. Each contractor shall fill out the Section 3 forms that are part of the solicitation which shall be reviewed by PHA to ensure the proposed plan is substantive and meaningful for the Section 3 workers and targeted workers. The Section 3 forms shall provide a framework for contractors to provide proposed plans for qualitative efforts in a manner that may be evaluated and graded by PHA's review committee. If the contractor cannot meet the labor hour requirements and does not provide a Qualitative Efforts plan that is acceptable to PHA, or if the vendor's plan fails to achieve its proposed results (to be determined at PHA's sole discretion), the contractor shall at a minimum contribute to a Section 3 Fund created by PHA in the amount of three percent (3%) of the expended contract amount.

2. Data Collection and Reporting

- a. Monthly Reporting
 - i. Contractors are required to submit monthly activity reports to PHA's Section 3 Vendor Portal, or by any other tracking software system utilized by PHA, by the 1st day of each month.
 - b. Annual Reporting
-

1. Once a project is completed, contractors must submit a final Section 3 cumulative report for the program year in PHA's Section 3 Vendor Portal.
2. Upon the completion of a project, PHA's Office of Audit and Compliance will conduct a final review of the project's overall performance and compliance.
3. PHA will submit an annual report to HUD documenting the compliance with Section 3 in such form and with such information as HUD may request. The report will be submitted in compliance with HUD required deadlines. HUD will be provided access to all records, reports and other documents or items PHA maintains to demonstrate compliance with Section 3 requirements.

H. Section 3 Complaint Process

1. Complaint Right

- a. Any Section 3 Resident and any representative who is not a Section 3 Resident, but who represents one or more Section 3 Residents, and any Section 3 Business Concern or any individual representative of one or more Section 3 Business Concerns, may bring concerns of noncompliance with Section 3 to HUD in conformity with complaint procedures detailed in 24 CFR 75. Complaints are to be filed with the Assistant Secretary for Fair Housing and Equal Opportunity.

2. Resolution of Complaints

- a. If the Assistant Secretary sends a complaint to PHA for resolution, PHA will review the complaint promptly. If PHA believes that the complaint lacks merit, PHA will notify the Assistant Secretary, in writing, of this recommendation with supporting reasons, within thirty (30) days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.
 - b. If PHA determines that there is merit to the complaint, PHA will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the sixty (60) day period, PHA must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both PHA and the complainant and must summarize the terms of the resolution reached between the two parties
 - c. Any request for an extension of the sixty (60) day period by PHA must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.
-

- d. If PHA is unable to resolve the complaint within the sixty (60) day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling in accordance with 24 CFR 75.

3. Intimidatory or Retaliatory Acts Prohibited

- a. PHA will not intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner with an investigation, proceeding, or hearing regarding a complaint.

4. Judicial Relief

- a. Nothing in this policy precludes a Section 3 Resident or Section 3 Business Concern from exercising the right to seek redress directly through judicial procedures.

I. Section 3 Clause

All Section 3 Covered Contracts shall include the following clauses (A-G, below), referred to as the Section 3 clause:

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12U.S.C. 1701u (Section 3). SECTION 3 VENDOR COMMITMENT

DESCRIPTION OF QUALITATIVE EFFORTS & OTHER ECONOMIC OPPORTUNITIES

INSTRUCTIONS: All bidders/proposers who are NOT a Section 3 business concern (defined on Section 3 Vendor Commitment Form 1) MUST complete a Section 3 commitment form as part of their bid/proposal, or to amend a commitment after a contract has been successfully awarded.

Vendors must meet the safe harbor benchmarks for Section 3 Labor Hours and Targeted Section 3 Labor Hours listed on Vendor Commitment Form 1. In the event that your organization fails to meet these safe harbor benchmarks, you will receive credit for the percentage of hours that qualified as Section 3 worked hours; however, you will be required to make up the safe harbor deficit by providing “qualitative efforts” that may, with applied credit, equal to up to 3% of the contract value.

“Qualitative efforts” are activities by PHA contractors the help public and assisted housing residents obtain jobs or benefit from other economic opportunities, now or in the future. Vendors commit to certain types of qualified efforts when completing Vendor Commitment Form 1, and PHA Resident Programs & Partnership (RPP) reviews all proposed qualitative efforts. RPP’s review looks for proposed activities that are likely to have a *significant, positive impact* on our resident or other low- and very low-income workers.

If your bid includes a commitment to any of the following qualitative efforts, you MUST complete this form

- **Training/Apprenticeship:** Provide training or apprenticeship opportunities to those who qualify as low- and very low-income workers – *answer questions on pages 2-4.*
 - “Training or apprenticeship opportunities” should qualify graduates/completers for jobs. If a program or service does not lead directly to employment, it is a “work readiness activity.”
- **Work Readiness:** Connect Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare) – *answer questions on page 5.*
- **Post-Secondary Assistance:** Provide assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training – *answer questions on page 6.*
- **Technical Training for Section 3 Businesses:** Provide technical training (workshops or one on one support) to help Section 3 business concerns understand and bid on contracts – *answer questions on pages 7-8.*

The most important part of your proposal is how valuable your proposed qualitative efforts will be to PHA residents and other Section 3 workers. RPP is looking for proposals that can have an estimated value equal to 3% of the contract value, to help ensure that PHA’s vendors, and PHA, are meeting HUD’s Section 3 requirements. RPP will use the information you provide here to help determine if the value of the proposed qualitative efforts to PHA resident and other Section 3 workers will meet these requirements. Checking more boxes and proposing more efforts will not necessarily help or harm your proposal scoring –the *value* of your proposed activities is what matters.

Comparison of Section 3 Old Rule and New Rule – HUD Act of 1968

Old Rule – 24 CFR Part 135	New Rule - 24 CFR Part 75
Focusing on sustained employment of low and very low income populations	
A new hire for a temporary, seasonal, and for a permanent, year-round job counted the same, instead of placing more value on long-term employment.	Recognizes the greater value of the permanent job by focusing on labor hours instead of new hires, creating an incentive for employers to invest in and retain their newly hired low-income workers.
Crediting successful sustained employment in reporting benchmarks	
<p>Former PHA Benchmarks:</p> <ul style="list-style-type: none"> • 30% of persons hired by Section 3 funding must be Section 3 residents • 10% of total funds for construction contracts • 3% of total funds for non-construction contracts contributions to Section 3 fund • No updates to these benchmarks 	<p>Final rule benchmark notice:</p> <ul style="list-style-type: none"> • 25% of all labor hours must be performed by a Section 3 worker • 5% of all labor hours must be performed by Targeted Section 3 workers • Benchmark notice should be updated by the Secretary every three years • If benchmarks are not met, vendor must establish qualitative efforts (See page 2)
Allowing varied outcomes for different geographies and activities	
<p>Section 3 residents are:</p> <ul style="list-style-type: none"> • Public housing residents • Low and very low-income persons who live in the metropolitan county where a HUD assisted project for housing or community development is located 	<p>Section 3 workers are:</p> <ul style="list-style-type: none"> • Workers whose incomes for the previous or annualized calendar year are below the income limit established by HUD – currently \$52,900/year • Employed by a Section 3 business concern • YouthBuild participants
Under the old rule, there is no distinction or prioritization of hiring Targeted Section 3 workers	New rule emphasizes the priority hiring of Targeted Section 3 workers living in public or Section 8-assisted housing,
<p>Section 3 business concerns are:</p> <ul style="list-style-type: none"> • At least 51% owned by Section 3 residents • At least 30% of employees are currently Section 3 residents, or were within last three years of employment • Businesses that subcontract more than 25% of all subcontracts to a Section 3 business concern 	<p>Section 3 business concerns are:</p> <ul style="list-style-type: none"> • At least 51% owned and controlled by low or very low-income persons • Businesses where Section 3 workers perform over 75% of the labor hours over the prior three month period • At least 51% owned and controlled by current public housing or Section 8 assisted housing residents
Integrating Section 3 into the program offices	
Enforcement and compliance was performed by the Office of Fair Housing and Equal Opportunity	Enforcement and compliance will be integrated into regular program office work
Reducing reporting requirements for grantees who are meeting benchmarks	

Examples of Qualitative Efforts

1. The following qualify as qualitative efforts to fulfill the requirements of Section XVII.F.4.:
 - a. Contribute to a Section 3 Fund created by PHA in the amount of three percent (3%) of the Section 3 Contract amount (see Definitions, Section XVII.C.1.i., above and G.3. below);
 - b. Provide training or apprenticeship opportunities
