In the event of a loss or claim in respect of which the City is an additional insured under the Supplier's insurance policy, the Supplier shall make available to the City, subject to a confidentiality agreement if so required by the Supplier, a copy of each applicable insurance policy within 7 days of the City's written request.

- 12.6 The Supplier shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent Person in the business of the subcontractor would maintain and that the City, and the City's Personnel, elected officials, and other contractors, are named as additional insured with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract for the provision of the Deliverables.
- 12.7 The limits of insurance coverage stated in this Agreement do not directly or impliedly establish limits of liability, and without limitation the Supplier remains liable for any and all loss or damages attributable to the Supplier as provided for under this Agreement regardless of the presence or absence of insurance coverage in relation to the event of occurrence.

ARTICLE 13 WORKERS' COMPENSATION

- 13.1 The Supplier shall comply with and shall cause each of its subcontractors to comply with, the Workers' Compensation Act.
- 13.2 Immediately upon each request by the City, the Supplier shall provide evidence to the City, to the satisfaction of the City, of compliance of the Supplier and any of its subcontractors with the Workers' Compensation Act.
- 13.3 Unless exempted from such requirement under the Workers' Compensation Act or otherwise directed by the City, the Supplier shall maintain, and shall cause each of its subcontractors to maintain, an account in good standing with the WCB. The Supplier's account shall, and the Supplier shall ensure the accounts of each of its subcontractors shall, include coverage for any of its directors, partners, or owners who will be present or may have cause to be present at the location where work for the Deliverables is taking place. The Supplier's account must include coverage for any proprietors who will be present or may have cause to be present at the location where work for the Deliverables is taking place.
- 13.4 At the commencement of this Agreement and immediately upon each request by the City, the Supplier shall provide evidence to the City to the satisfaction of the City, that the Supplier and any of its subcontractors has an account in good standing with the WCB or is an exempt industry or does not qualify for such coverage and has added employer's liability to its commercial general liability insurance policy, or has equivalent and applicable coverage from another Canadian workers' compensation board to the satisfaction of the City.
- 13.5 If at any time the City receives advice from the WCB to the effect that the account of the Supplier or any of its subcontractors have ceased to be in good standing, or that there are amounts which the Supplier or any of its subcontractors owe to the WCB, by reason of any act or omission of the Supplier or any of its subcontractors or of any order made by the WCB, or if the City receives a demand for payment from the WCB by reason of any act or omission of the Supplier or any of its subcontractors under the Workers' Compensation

Act, the City may suspend payments due to the Supplier under this Agreement until the Supplier has obtained and submits to the City a clearance letter from the WCB indicating that the Supplier or its subcontractor, as the case may be, no longer owes monies to the WCB or has otherwise been brought into good standing with the WCB.

ARTICLE 14 CITY REPRESENTATIVE AND SUPPLIER REPRESENTATIVE

- 14.1 The City Representative represents the City in relation to this Agreement, and the Supplier Representative represents the Supplier in relation to this Agreement.
- 14.2 During the Term the City Representative and the Supplier Representative may communicate with each other personally, by telephone, or by electronic mail.
- 14.3 Any instructions given by the City Representative to the Supplier Representative are deemed to have been given by the City to the Supplier.

Immediately upon request by the City, the Supplier shall provide evidence to the City, to the satisfaction of the City, of the Supplier's compliance with this section.
- 15.3 Unless the Supplier has obtained the prior written consent of the City, which may not be unreasonably withheld, the Supplier shall not:
 - (a) change any of the Persons identified as Key Personnel; or
 - (b) change the role in providing the Deliverables of any Key Personnel from the description of such roles set out in Schedule "C".
- 15.4 In the event the Supplier desires to change any of the Persons identified as Key Personnel, the Supplier shall ensure that:
 - (a) the proposed replacement Person possesses the required mandatory credentials and similar or greater qualifications than the Person that is identified as a Key Personnel; and
 - (b) there is no increase in the Price due to the proposed replacement Person.

ARTICLE 16 PRICE

- 16.1 Notwithstanding anything else in this Agreement, the Price plus GST is the total amount to be paid by the City to the Supplier and the entire cost to the City for the provision of the Deliverables by the Supplier in accordance with this Agreement and the performance of this Agreement by the Supplier.
- 16.2 There shall be no other charges or amounts (including but not limited to administrative costs, travel expenses, delivery fees, or disbursements) payable by the City under this Agreement to the Supplier other than the Price established under this Agreement.
- 16.3 The City shall, subject to Supplier's compliance with this Agreement, pay the Supplier the Price plus GST in accordance with this Agreement.

ARTICLE 17 PAYMENT TERMS

- 17.1 The Supplier shall deliver its invoice(s) for completed Deliverables to the City Representative in accordance with the prescribed timing for the Supplier's invoice(s) set out in Schedule "C". The date and time at which an invoice will be deemed to be delivered shall be determined in accordance with article 22.
- 17.2 On each invoice the Supplier shall state the Supplier's GST number, separately identify each item for which payment is requested and the amount of GST, and not impose any interest terms for unpaid amounts unless the Supplier has obtained the prior written consent of the City.
- 17.3 If requested by the City, for each invoice the Supplier shall provide supporting documentation for each item for which payment is requested.
- 17.4 In the event the Supplier includes interest terms for unpaid amounts on its invoices or otherwise imposes interest terms for unpaid amounts on the City without the prior written consent of the City, such interest terms are void and of no legal effect.
- 17.5 The City shall, subject to its legal and equitable rights and obligations including the City's right to hold back, withhold, set off, audit, or contest all or a part of an invoice of the Supplier, as provided for in this Agreement, pay the Price due and payable as set out on the Supplier's invoice to the Supplier within 30 days of receipt of the Supplier's invoice.
- 17.6 If the City contests all or a part of an invoice of the Supplier, the City may with written notice to the Supplier withhold payment for the contested portion of the Supplier's invoice until the Dispute in relation to the contested amount is resolved in the manner contemplated by this Agreement.

ARTICLE 18 LIENS AND ENCUMBRANCES

- 18.1 The provisions of this article survive the expiration or termination of this Agreement.
- 18.2 The Supplier shall not in relation to the Deliverables or the performance of this Agreement by the Supplier permit any form of encumbrance, claim, charge, or interest to be registered

against the City's property or location of Deliverables, including but not limited to builders' liens or construction liens or other forms of lien, writs, judgments, mortgages, personal property security, conditional sales claims, or amounts owed to any Authority.

- 18.3 Within 10 days of receiving notice from the City or otherwise becoming aware that an encumbrance, claim, charge, or interest has been registered against the City's property, the Supplier shall obtain a discharge of them and deliver proof of such discharge to the City.
- 18.4 If the Supplier refuses or fails to provide the City proof of discharge of any encumbrances, claim, charge, or interest as required by this article, the City may secure a discharge of such encumbrance, claim, charge, or interest, and securing such discharge is without prejudice to any other right, power, or remedy available to the City under this Agreement, under Applicable Law, or in equity. Any and all costs to the City related to securing such discharge (including but not limited to the amount of the claim, actual legal costs, actual costs for expert and professional fees, or any other actual expenses, charges, and disbursements incurred by the City in relation thereto) are deemed a debt immediately due and payable by the Supplier to the City without further notice, demand, or presentment. Without prejudice to any other right, power, or remedy available to the City under this Agreement, under Applicable Law, or in equity, the City may set off the amount of such debt against any amount owed by the City to the Supplier, as such may exist from time to time, until all amounts owing to the City have been completely set off.
- 18.5 If the Supplier wishes to challenge an encumbrance, claim, charge, or interest that the Supplier would otherwise be obligated to pay or discharge under this Agreement, the Supplier may, with the City's written consent and upon the Supplier paying security in an amount and form satisfactory to the City, proceed to challenge the encumbrance, claim, charge, or interest in a court or tribunal of competent jurisdiction, and the City shall forbear in its enforcement of its rights in relation to those amounts until the challenge and appeals are exhausted. An appeal period is deemed exhausted if the appeal period has run and the Supplier has not delivered to the City a filed copy of its appeal.

ARTICLE 19 HOLD BACKS, SET OFFS, WITHHOLDINGS, AND TAXES

- 19.1 The provisions of this article survive the expiration or termination of this Agreement.
- 19.2 The Supplier is solely responsible for withholding and remitting any and all amounts due to any Authority. Without limiting the generality of the foregoing, the Supplier shall collect, remit, and pay all fees, costs, expenses, disbursements, charges, levies, taxes, and remittances related or incidental to the Supplier's provision of the Deliverables and compliance with this Agreement and Applicable Law, including but not limited to amounts for Canada pension plan, employment insurance, income tax, workers' compensation, GST, and withholding tax.
- 19.3 Without limiting any other provision in this Agreement, the City may hold back from or set off against any amount payable to the Supplier:
- (a) amounts as may be required or permitted by this Agreement;

- (b) amounts as may be required or permitted by Applicable Law (including but not limited to Alberta lien legislation);
- (c) the actual or reasonably estimated amounts required to correct any deficient or defective Deliverables not corrected or remediated by the Supplier;
- (d) in the event the Supplier fails to comply with a rectification notice issued under this Agreement, the actual or reasonably estimated amounts required to comply with such rectification notice;
- (e) amounts claimed by third parties arising from or related to the delivery of the Deliverables or the performance by the Supplier of this Agreement, including but not limited to the Supplier's failure to pay for labour, supplies, materials, products, equipment, or Intellectual Property, (including the amount to discharge any lien or encumbrance registered against the City's property), as well as any amount necessary for the City to defend itself against such claim;
- (f) if the Supplier is not a Canadian resident for income tax purposes, an amount that is the greater of 15% of any amount payable to the Supplier and the amount required under Applicable Law; and
- (g) amounts claimed by any Authority for the Supplier's failure to remit statutory or other remittances in accordance with Applicable Law.

19.4 In the event the City withholds an amount in accordance with:

- (a) section 18.3(a), the City may use such amount for the purpose it was withheld and otherwise in accordance with this Agreement, and after that shall release any amount remaining to the Supplier;
- (b) section 18.3(b), the City may use and release such amount in accordance with Applicable Law;
- (c) section 18.3(c), the City may use such amount to correct any deficient or defective Deliverables not corrected or remediated by the Supplier, and after that shall release any amount remaining to the Supplier;
- (d) section 18.3(d), the City may use such amount to do all things necessary to comply with the rectification notice, and after that shall release any amount remaining to the Supplier;
- (e) section 18.3(e), the City may use such amount to satisfy such claims of third parties and any costs to the City related to such claims (including but not limited to actual legal costs, charges for expert and professional fees, or any other actual expenses,

charges, and disbursements incurred by the City in relation thereto), and after that shall release any amount remaining to the Supplier;

- (f) section 18.3(f), the City shall remit to the appropriate Authority from such amount the amount required to be remitted to the Authority in accordance with Applicable Law, and after that shall release any amount remaining to the Supplier. The City shall deliver an official receipt for such withholding and remittance, and any other documents reasonably requested by the Supplier in order for the Supplier to claim a foreign tax credit or refund within the time period under Applicable Law. Despite anything else in this section, the City shall not withhold and remit as aforesaid if the City receives confirmation to the satisfaction of the City at least 30 days prior to the City remitting payment to the Authority that a waiver of Applicable Law requiring such hold back has been obtained by the Supplier from the Authority; and
- (g) section 18.3(g), the City may remit to the appropriate Authority from such amount the amount required to be remitted to the Authority in accordance with Applicable Law, and after that shall release any amount remaining to the Supplier.

In all such events such amounts constitute a payment of the Price to the Supplier by the City. In the event that the amount withheld or set off is less than the amount necessary to satisfy the purpose for such withholding or set off, then such deficiency is deemed a debt immediately due and payable by the Supplier to the City without further notice, demand, or presentment. The City may set off the amount of such debt against any amount owed by the City to the Supplier, as such may exist from time to time, until all amounts owing to the City have been completely set off.

ARTICLE 20 FORCE MAJEURE

- 20.1 Neither party is liable for damages caused by delay or failure to perform its obligations under this Agreement (excepting its obligation to make any payment in accordance with this Agreement) where such delay or failure is caused by a force majeure event beyond its reasonable control. The parties agree that a force majeure event shall not be considered beyond a party's reasonable control if a reasonable business person applying due diligence in the same or similar circumstances under the same or similar obligations as those contained in this Agreement would have put in place contingency plans to either materially mitigate or negate the effects of such force majeure event.
- 20.2 Without limiting the generality of the foregoing section, the parties agree that force majeure events include natural disasters and acts of war, insurrection and terrorism, but do not include events of inclement weather or shortages or delays relating to supplies or services. If a party seeks to excuse itself from its obligations under this Agreement due to a force majeure event, that party shall immediately notify the other party of the delay or non-performance, the reason for such delay or non-performance, and the anticipated period of delay or non-performance. If the anticipated or actual delay or non-performance exceeds 21 days, the other party may immediately terminate this Agreement by giving written notice of termination and such termination shall be in addition to the other rights and remedies of the terminating party under this Agreement, under Applicable Law or in equity.

ARTICLE 21 DISPUTE RESOLUTION

- 21.1 The provisions of this article survive the expiration or termination of this Agreement.
- 21.2 The parties shall make bona fide good faith efforts to resolve any Dispute by amicable negotiations and shall provide frank, candid, and timely disclosure of all relevant facts, information, and documents to facilitate the resolution of any Dispute.
- 21.3 The parties may agree to have their amicable negotiations be in the form of mediation conducted with the assistance of an independent mediator acceptable to both parties. In such event, the parties shall agree to the fees to be paid to the mediator prior to the mediation and each party shall pay an equal share of the cost of the mediation.
- 21.4 Nothing in this article limits the right of either party to seek appropriate remedies, including seeking immediate injunctive relief as necessary to preserve the status quo or to prevent irreparable harm pending resolution of a Dispute.
- 21.5 The Supplier shall not delay the delivery of the Deliverables or the performance of this Agreement on account of any Dispute or proceeding taken under this article. In the event of a Dispute, the City shall cause the City Representative to give any instructions the City Representative believes are necessary for the delivery of the Deliverables or the performance of this Agreement by the Supplier and to prevent delays pending resolution of the Dispute. The Supplier shall immediately comply with such instructions, and the issuance of such instructions and compliance with such instructions is without prejudice to any other right, power, or remedy available to the Supplier under this Agreement, under Applicable Law, or in equity.

ARTICLE 22 NOTICES

- 22.1 Notices required or permitted to be given by one party to the other under this Agreement must be in writing and must be delivered by personal delivery, registered mail, or electronic mail to the address for the recipient party set out in Schedule "C" or such other address as advised by written notice from one party to the other party at any time and from time to time.
- 22.2 Notices are deemed to have been given:
- (a) if delivered by personal delivery:
 - (i) if delivered during Business Hours, when it was received by the recipient party; or
 - (ii) if delivered outside of Business Hours, on the date that is the next Business Day;
 - (b) if delivered by registered mail, on the date on which the recipient party signed for the registered mail, but in the event of a failure to sign for the registered mail such

notice is deemed to have been given 7 days from the date the registered mail was sent; and

- (c) if delivered by electronic mail and provided such electronic mail is not returned as undeliverable to the sending party:
 - (i) if delivered during Business Hours, when it was received by the recipient party; or
 - (ii) if delivered outside of Business Hours, on the date that is the next Business Day.

22.3 During a postal disruption, notices must be delivered by personal delivery or electronic mail.

ARTICLE 23 ASSIGNMENT OR SUBCONTRACTING

- 23.1 The Supplier shall not assign or subcontract the whole or any part of this Agreement to any other Person, except as expressly provided for in this Agreement, without the prior written consent of the City, which may be arbitrarily and unreasonably withheld or conditioned.
- 23.2 In the event that in accordance with this Agreement the Supplier subcontracts the whole or any part of this Agreement, the Supplier shall enter into an agreement with the subcontractor that adopts all of the provisions of this Agreement as far as applicable to those parts of the Deliverables to be provided by the subcontractor.
- 23.3 Nothing in this Agreement creates a contractual relationship between any subcontractor and the City. Despite the Supplier subcontracting the whole or any part of this Agreement, the Supplier remains bound by this Agreement and is liable for the performance or non-performance of the subcontractor as if that performance or non-performance was that of the Supplier itself.

ARTICLE 24 GENERAL PROVISIONS

- 24.1 **Proof of Compliance:** Immediately upon request by the City, the Supplier shall provide evidence to the City's satisfaction of the Supplier's compliance with this Agreement.
- 24.2 **Amendment:** The parties may only amend this Agreement by mutual agreement in writing signed by each of the parties.
- 24.3 **Authorized Signatories:** The parties represent to one another that the individual(s) signing this Agreement are the authorized signatories of that party, and neither party may challenge or repudiate this Agreement on the basis that the individual(s) so signing lacked the authority to sign on the party's behalf, despite the presence or absence of a seal or affidavit or other formality of execution confirming the individual's authority to sign on that party's behalf.

- 24.4 **Binding Effect and Enurement:** This Agreement enures to the benefit of and is binding upon the parties and their respective permitted assigns and successors.
- 24.5 **Capacity of the City:** The City enters into this Agreement in its capacity as a municipal corporation, and not as a government or regulatory body. Nothing in this Agreement may be construed so as to in any way fetter or impair the authority of the City, and its elected officials, directors, and officers, in the exercise of their governmental or regulatory powers, duties, and functions.
- 24.6 **Entire Agreement:** This Agreement constitutes the entire agreement between the parties with respect to the subject matter of this Agreement, and supersedes all prior agreements, negotiations, and understandings. There are no agreements, representations, warranties, terms, conditions, or commitments, whether oral or written, express or implied, with respect to the subject matter of this Agreement except as expressed in this Agreement. Unless otherwise allowed pursuant to this Agreement, any subsequent requirements imposed by a party (including but not limited to payment of interest or other charges) are not enforceable against the other party unless this Agreement is amended to include such requirement and such amendment is in writing signed by each of the parties.
- 24.7 **Further Assurances:** Each party shall at any time and from time to time, upon each request by the other party, execute and deliver such further documents and do such further acts and things as the other party may reasonably request to evidence, carry out, and give full effect to the provisions, intent, and meaning of this Agreement. This section survives the expiration or termination of this Agreement.
- 24.8 **Governing Law and Jurisdiction:** This Agreement is governed by the laws of the Province of Alberta and any applicable laws of Canada. The courts of the Province of Alberta located in Edmonton have exclusive jurisdiction to determine all disputes and claims arising between the parties with respect to this Agreement. This section survives the expiration or termination of this Agreement.
- 24.9 **Relationship of the Parties:** The relationship between the parties constituted by this Agreement is intended and is to be construed as that of independent contracting parties only and not that of partnership, joint venture, agency, employment, or any other association whatsoever. Neither party may create any obligation, either express or implied, on behalf of the other party. Neither party may hold itself out as an agent, employee, or partner of the other party.
- 24.10 **Remedies:** The rights, powers, and remedies of the parties in this Agreement are cumulative and are in addition to and without prejudice to any other right, power, or remedy available to the parties under Applicable Law or in equity.
- 24.11 **Severability:** If any provision of this Agreement is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability attaches only to such provision and all other provisions in this Agreement remain in full force and effect.

- 24.12 **Survival:** Provisions in this Agreement relating to dispute resolution, liens and encumbrances, hold backs and set offs, withholdings, insurance, limitation of liability, releases, remedies, representations and warranties, and any other provisions expressly or impliedly reasonably intended to govern the rights and obligations of either or both of the parties after the expiration or termination of this Agreement survives the expiration or termination of this Agreement.
- 24.13 **Time:** Time is of the essence in this Agreement, and if it is waived by a party for any particular item or for a time period then such waiver is not an absolute waiver and time will remain of the essence with the exception of the matter so waived and no other.
- 24.14 **Waiver:** No waiver by either party of any requirement of this Agreement is effective unless made in writing, and any such waiver has effect only in respect of the particular requirement stated in the waiver. For clarity, failure on the part of either party to complain of any act, or failure to act, of the other party or to declare the other party in default, irrespective of how long such failure continues, is not a waiver by such party of its rights under this Agreement.
